*Demonstar: a world
of swords and
sorcery.... within it

evil called known as
"Demon Forest"...*

The Hero of Demon Forest

CHAPTER ONE

FANTASTIC PANIC

Well my young boy -Nee- you say your name in? - you certainly are a strong one!

I am most impressed. Ah, however...

...even so I'm afraid I can't bring down the fun of transporting you.

Oh, I've not all that great...

It's all thanks to the dragon-ness.

ho
ho
...

I'll be happy if you just guide me through the Dragon Forest.

But Boss- ain't we lost too? I mean...

...let's do SPth monster we're not today...

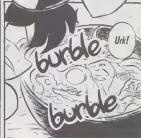

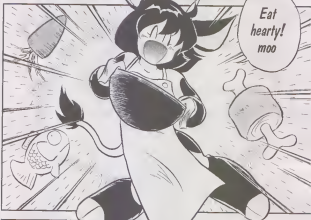

GIKI!

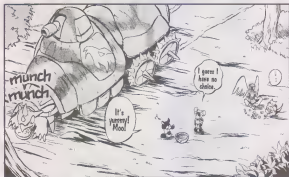

Shut up you moron!

You keep quiet about that! We'll get through this somehow...

But how?

Wah?
Moo.

Uuoooh
...

Wotta
brave fellow...

Real is
gonna
my leg.

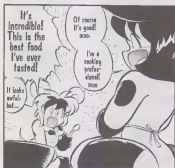

It's...

sniff
sniff

...It's
absolutely
delicious...

Wh-
uh?!

It's
incredible!
This is the
best food
I've ever
tasted!

Of course
It's good!
moo.

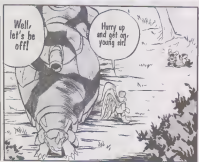

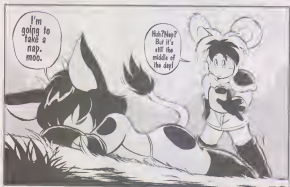

I'm a
cooking
professional
moo

It looks
awful,
but...

Well, I've
had my
fill...

?

Here's
contest?
What's that
all about?
Do you get
paid if you
win?

Well, I'm
not really in
it for the
money—

You know
that the
monsters
are running
pretty wild
these days,
right?

So the King of
Tora is
gathering
together
monster-slaying
heroes.

You mean you're
going to Tora to
enter this 'Haros'
Contest' and
you're not getting
paid a thing for
it?

That's
just plain
foolish,
young girl!

Listen
closely,
my
boy...

The world
revolves around
money. Never do
anything unless
you're getting
paid for it!

I see.

Well, it's a bit sudden, but we now shift scenes to Death Valley, at the very heart of Death Forest....

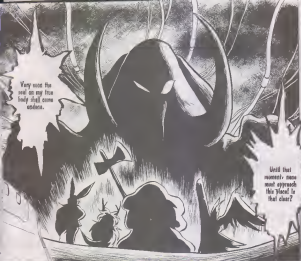

You
summoned
us, Lord
Indra?

The
FOUR LORDS
of the Demon
Forest are now
all assembled.

EXCELLENT!
Recently, the
King of Tora
has been
gathering
people through
a 'Heroes'
Contest' in
order to
oppose us!

I have already
summoned the
five dragons
and I am
stationing them
at various
points through-
out the forest.

You shall
eliminate
all who
enter
Demon
Forest!

Wary note the
real on my true
body shall come
unders.

Used that
moment, none
must approach
this place is
that clear?

KLANK!

KLANK!

AUUGHH!

Boss! It's a
monster!

A fire dragon!
Sel
There's even
some of
those about.

NNGRR

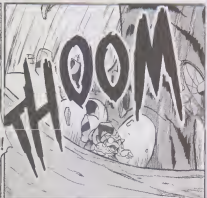

DAMN!

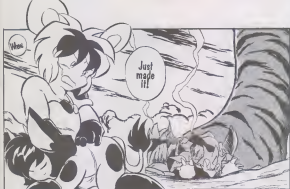

Cursed monster!
Now you'll see
the power of our
heavy armoured
vehicle, the
Sytrected!

March 12, 1989-The first edition is published

December 24, 1993-Revised edition is published

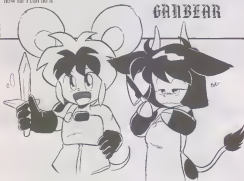

July 30, 1993-American version debut.

The history of FANTASTIC PANIC is a history of my manga career, because this is my first complete original manga, and this work will stay with me as a happy memory

This is the revised edition. I revised this because I thought the first one was really bad, but this is not much better than that. (Sob)

I started FANTASTIC PANIC with an idea that "using many characters in the panels would be interesting", so too many characters enter almost endlessly. I wonder how far I can do it

He?
Well...

Tora

Don't tell me
you're going to
enter the
Honor's Contest
too?

What's
that?

I want to
meet Don
Bandan-
Tora's royal
cook, see

Ohhh...

And when I
do, I want him
to teach me
how to make
food look good

That would
be amazing...

It's not

So you just

the thanks
we get?

Now, now, we
shouldn't stick
our noses into
other people's

We'll just be
hurryin' on-

Huh? But I
was going
to take a
nap! moo

I hate to bother
you, but could
you take me

I wouldn't
want to

I don't.
You're pretty
big and...

Hep,
what's

It's so

This is snow. It
sure is unusual
for it to fall in a

I've seen
